## Frank J. Ferraro, MD, FACS

Dr. Frank Ferraro is a board-certified plastic surgeon who was fellowship-trained at Duke University Medical Center. A six-time *New Jersey Monthly* Top Doctor, he was also named one of Bergen County's Top Doctors the past three years by *201 Magazine*. He performs all aspects of cosmetic plastic surgery with a primary focus on aesthetic surgery of the breast, body and face. The dramatic transformations in appearance that Dr. Ferraro has achieved for his patients are the result of experience and expertise acquired during his more than 22 years of practice.

Continually reviewing emerging advances in his field, Dr. Ferraro embraces the latest techniques such as Exparel®, a long-acting pain reliever, which can keep patients more comfortable after breast and body surgery, including abdominoplasty. His patients appreciate the comfort and privacy of his state-of-the-art surgical center, with board-certified

anesthesiologists on staff.

Dr. Ferraro is a member of the American Society of Plastic Surgeons, the American Society for Aesthetic Plastic Surgery, the New Jersey Society of Plastic Surgeons and the New York Regional Society of Plastic Surgeons.

"My practice is all about obtaining natural results in a safe, reproducible way and paying close attention to my patients' goals," Dr. Ferraro says. "It is an honor to serve those who put their trust in me."
